7.1. U10 COMPETITION

U10 age group is treated as non-competitive focused primarily on fun, participation and development of fundamental skills.

- 7.1.1. U10's to play full competition rules. However, with some leniency and common sense appropriate to player ability e.g. maybe allow a brand new player a little shuffle of the feet, etc. Emphasis should be on education of the rules.
- 7.1.2. Score boards are to be used but no premiership tables are to be collated.
- 7.1.3. Coaches are allowed on the court to give players direction. Coaches must take care to not impede the umpires or interfere with general play.
- 7.1.4. U10's competition is to be nominated as a gender based competition. However, the WBA will allow mixed gender games to prevent a forfeit (make up to 5 players, not to provide bench support). Coaches to implement this bylaw in the spirit of the Competition e.g. fill ins shouldn't be used to influence the game result, result doesn't matter we just want the kids to play.
- 7.1.5. After any score the defensive team must retreat to at least the half way line. Teams that refuse to do this will receive a warning on the first occasion. Any and all further breaches will be treated as a bench tech, 2 foul shots and possession from half way line.
- 7.1.6.

7.2. MERCY RULE.

Intent is to protect new players or weaker teams by giving them a chance to offensively handle the ball.

- 7.2.1. Applies from Under 10's up to and including Under 16's.
- 7.2.2. After 20 points lead the Mercy rule shall be implemented by the officials, verbal acknowledgement of this to be given to both coaches.
- 7.2.3. Once implemented after any further score the winning team must retreat to inside the defensive 3 point line', while complying to 7.4. Once the opposition has the ball over the halfway line the defence team may advance from the keyway to play defence.
- 7.2.4. If the score difference drops below the 20 pt margin the winning team may return to playing full court defence.
- 7.2.5. Teams that refuse to enforce the Mercy rule will receive a warning on the first occasion. Any and all further breaches will be treated as a bench tech, 2 foul shots and possession from half way line.
- 7.2.6. Losing teams can choose not to enforce the Mercy rule by conferring with the umpire.

7.3. MAN ON MAN DEFENCE

Man to man defence is recognised as the best way for juniors to learn the basic concepts of Basketball & develop core individual skills. Thus:

- 7.3.1. Keyway zone defence's in Under 10's to Under 14's (inclusive) are prohibited.
- 7.3.2. Teams that deliberately play a keyway zone (as deemed by the Games Manager) will receive a warning on the first occasion. Any and all further breaches will be treated as a bench tech, 2 foul shots and possession from half way line.
ZONE DEFINITION: Outlined in National online Zone Buster guidelines. In a nut shell - each player on the crt must be accountable for a player and able to make a reasonable and realistic attempt to guard that player.

7.4. DELAYED START

Any team which cannot commence play at the scheduled listed time for the commencement of the match shall be penalised by the awarding of one point to the opposing team for each minute late and shall forfeit the match if it is unable to commence play 10 minutes after such listed time. If neither team can start play by 10 minutes after the scheduled listed time, the umpires shall call a "no game" and neither team will be awarded premiership points.

- 7.5.1. Any player who commits 2 unsportsmanlike fouls shall be ejected as per FIBA rules. However the automatic suspension shall not apply.

- 7.5.2. This bylaw does not exclude the offender from being reported!! Game officials are still required to file an official report if the actions of the offender/s are serious enough.
- 7.5.3. A Technical foul issued to a Team scorer shall be assigned to the team bench to which they are aligned.
- 7.5.4. This automatic suspension does not apply to a coach ejected due to the actions of a player.
- 7.5.5. Ejection is defined as leaving the confines of the crt. The confines being any area such that they can view the remainder of the game they were ejected from.
- 7.5.6. Should the offending person/s refuse to leave the confines of the court, then the game shall not continue and the court supervisor shall instruct the referees to call the game off. The game shall be recorded as a "0 – 20" loss to the defaulting team.

Guidelines for the Qualification committee

It is the mandate of the QUALIFICATION COMMITTEE to protect the integrity of the Competition/Finals by selecting fill in players that will allow a contest without adversely affect the expected game result:

- 14.4.7.1. Fill in players should be where possible "like for like" eg don't allow 6'10" guy to replace an injured point guard. Don't allow a young U16 combined player to replace a slow 40-year-old that is only a social basketballer.
- 14.4.7.2. Teams can only fill to max of 7 players. eg If a team normally has 8 players and 2 can't make finals then only 1 fill in player will be permitted.
- 14.4.7.3. Teams may not fill their team to level higher than they have chosen to play for the minor round. Eg, if a team plays with six players all season, they can't have a spare to make 7 for finals!!
- 14.4.7.4. If a player is unavailable due to work, for example, and a fill in player is approved to play, and then that player gets a shift swap allowing them to play then that player fill in player becomes ineligible to play
- 14.4.7.5. A max of 2 unqualified fill in players may be used per team in any.
- 14.4.7.6. These rules also apply for Juniors that are playing up a level for finals and haven't qualified to be there.
- 14.4.7.7. The WBA is not obligated to change Final schedules to suit clubs that choose to use players in more than 1 grade.
