By-Laws - Playing the Game

1. PLAYING CONDITIONS

The Whyalla Basketball competition is contested under the rules contained in the FIBA rule book, except for the By-Laws set out herein which amend and/or supplement the FIBA rules.

2. REGISTRATIONS

Player's must be registered to play as per *Section 3, Administering the Game, Bylaws*.

3. AGE ELIGIBILITY

WBA uses the national age cut date of 31 Dec. Junior Players can NOT turn the age of their grade before the end of the season.

3.1. Min Age

Player must be at least 6 years of age at the time of registration.

4. UNIFORMS

4.1. All Players are required to wear their Club uniform (singlet top/shorts) as registered and approved by the WBA.

4.1.1. Each club is allowed a max of 2 registered uniforms. Eg A grade teams may have a one-off special uniform.

4.1.2. 2 different registered uniforms are not allowed to be worn within the same team. Penalty's as per 4.6.

4.1.3. If a club changes a registered uniform, it's allowed a max of 1 Season to fully transition to this new strip.

4.2. Undergarments e.g. skins may be worn. Provided they are plain in colour (black, white, Beige) and don't conflict with the opposition's uniform.

4.3. All players must wear non-marking sports footwear while playing.

4.4. For safety reasons, Shorts with pockets are not permitted.

4.5. Where there is a uniform number clash, it shall be regarded as wearing an illegal number and is to be dealt with as per 4.6 or 4.8.

4.6. In the minor round, players not complying to 4.5 may still play but shall have a personal foul recorded against their name and **2** points awarded to the opposing team for each non-compliant player. This penalty. Cannot be applied retrospectively, i.e. You can't complain about a uniform breach after the game.

4.6.1.1. To assist referee's, it is required that the offending uniform be turned inside out or wear an appropriate T-shirt.

4.6.1.2. Exception: In the minor round, penalty 4.6 does not apply to Borrowed players up to and including the 6th player.

4.7. This Uniform by-law is suspended for the 1st four weeks of each season. Any extensions on this period must be applied for, in writing, to the WBA Executive committee.

4.8. For all finals **ALL** players **MUST** be in correct uniform with different numbers. Penalty if player takes the court NOT in correct uniform: Game is deemed a forfeit.

4.9. Where a club has more than one team in a Grade, they must provide an alternative uniform or bibs that are a definite contrast to the other. Else the match will be ruled an un-notified forfeit to the team on bench "B".

- 4.10.** Blood rule - Soiled clothing including shoes must be replaced. Teams are not expected to carry spare uniforms so in this situation players are permitted to play on in suitable (as deemed by the referee) T-shirt/shorts.

5. BASKETBALLS

Each team shall provide a size appropriate basketball to the Official prior to the start of each game for use as a "Match Ball". The Officials shall select the most appropriate of these balls.

6. TABLETS/SCORE SHEETS/SCORERS

- 6.1.** Captains/team representative of each team shall be responsible for checking in players to the tablet prior to the listed game commencement time.

6.1.1. A player who is found to be not listed on the tablet shall be ordered from the court and not permitted to re-enter the game until their name has been added to the tablet.

- 6.2.** Each team must supply its own scorer, not a player participating in that game. PENALTY as per *Section 10*.

- 6.3.** Scorers must be at least 12 years old.

7. SPECIAL PLAYING CONDITIONS

7.1. U10 COMPETITION

U10 age group is treated as non-competitive focused primarily on fun, participation, and development of fundamental skills.

7.1.1. U10's play full competition rules. However, with some leniency and common sense appropriate to player ability.

7.1.2. Score boards are to be used but no premiership tables are to be collated.

7.1.3. Coaches are allowed on the court to give players direction. Coaches must take care to not impede the umpires or interfere with general play.

7.1.4. For any back court in-ball situation the defensive team must retreat to inside the defensive 3-point line and not advance until the ball crosses the halfway line. Teams that refuse to do this will receive a warning on the first occasion, any further breaches will be treated as a bench tech.

7.1.5. At half time each player in each team is permitted 1 free throw attempt. Philosophy is that every child regardless of their ability gets an opportunity to score a goal each match.

7.1.6. WBA don't want any forfeits in Under 10's. There is no Premiership pts thus these Forfeit prevention options are allowed (in order of preference):

7.1.6.1. Teams are encouraged to borrow players from the opposition. Theory is to maximise children's court time and engage rather than offend the opposition team. NOTE: WBA understand that opposition players are not always happy to do this. We recommend switching borrowed players each quarter.

7.1.6.2. Clubs that have more than one team in an U10's competition are permitted to use a "like for like" player/s from their other team to fill to a max of 6 players.

7.1.6.3. U10's is a gender-based competition. However, teams may borrow Player from another gender team to fill to a max of 6 players.

NOTE: In the spirit of the game any fill in player chosen should be like for like with the unavailable player, e.g. Fill ins shouldn't influence game result.

7.2. MERCY RULE.

Intent is to protect new players or weaker teams by giving them a chance to offensively handle the ball.

7.2.1. Applies from Under 10's up to and including Under 16's.

7.2.2. After 20 points lead the Mercy rule shall be implemented by the officials, verbal acknowledgement of this to be given to both coaches.

7.2.3. Once implemented after any further score the winning team must retreat to inside the defensive 3-point line, while complying to 7.3. Once the opposition has the ball over the halfway line the defence team may advance to play defence.

7.2.4. If the score difference drops below the 20 pt margin the winning team may return to playing full court defence.

7.2.5. Teams that refuse to enforce the Mercy rule will receive a warning on the first occasion. Any and all further breaches will be treated as a bench tech, 2 foul shots and possession from halfway line.

7.2.6. Losing teams can choose not to enforce the Mercy rule by conferring with the umpire.

7.3. MAN ON MAN DEFENCE

Man to man defence is recognised as the best way for juniors to learn the basic concepts of Basketball & develop core individual skills. Thus:

7.3.1. Keyway zone defence's in Under 10's to Under 14's (inclusive) are prohibited.

7.3.2. Teams that deliberately play a keyway zone (as deemed by the Court Supervisor) will receive a warning on the first occasion. Any and all further breaches will be treated as a bench tech. ZONE DEFINITION: Each player must be accountable for a player & able to make a reasonable & realistic attempt to guard that player. For more complex situations the National "Zone Buster" guidelines shall be used to help determine if a team is in fact playing a zone.

7.4. TECHINCAL FOULS

7.4.1. The penalty for any technical foul shall be the same as for an unsportsmanlike foul, that is - 2 free foul shots + side ball possession from the team thru in line in the front court or from the half way line if the penalty occurred at the end of a quarter.

7.5. BEHAVIOURAL

A penalty will be applied when a person shows some form of dissent or disrespect (by word or action) towards another player, match official/s, referee/s or their calls.

7.5.1. Any player, coach, or scorer who is disqualified (ejected) from a game due to:

7.5.1.1. two (2) technical fouls, or

7.5.1.2. a combination of technical and unsportsmanlike fouls, or

7.5.1.3. a disqualifying foul,

will receive an automatic one-week suspension from basketball activities: playing, coaching, officiating, scoring.

7.5.2. Unsportsmanlike Fouls

A player who receives two unsportsmanlike fouls will be ejected.

This ejection does *not* trigger the automatic one-week suspension, unless the behaviour meets the threshold for a behavioural report.

7.5.3. Reporting Requirement:

This bylaw does not prevent referees from submitting an official report where behaviour warrants further review. The Tribunal may impose additional appropriate sanctions.

7.5.4. Coach Ejections Caused by Player Behaviour:

If a coach is ejected solely due to the actions of a player, the automatic suspension does not apply.

7.5.5. Definition of Ejection:

An ejected person must leave the playing area and any location from which they can view the remainder of the game.

7.5.6. Failure to Leave:

If an ejected person refuses to leave the defined area, the referees will stop the game. The Court Supervisor will instruct referees to abandon the match, recorded as a 0–20 forfeit loss to the offending team/team follower.

7.5.7. Suspension Period:

The automatic suspension begins at the conclusion of the game in which the ejection occurred.

7.5.7.1. The suspension is not a stadium ban.

7.5.7.2. The suspension is not officially recognised outside our competition thus does not apply to players playing for steelers or for other associations.

7.5.8. Repeat offenders:

If a member is ejected a 2nd time in the same season the penalty is increased to 2 weeks. If they get ejected a 3rd time the penalty is 3 weeks and so on.

These resets at the commencement of each season.

7.5.9. Spectator Behaviour:

If a team follower or spectator engages in unruly or offensive behaviour, referees should stop the game and notify the Court Supervisor. The Supervisor may direct the individual to leave the court area or the stadium.

Failure to comply may result in the game being abandoned as per 7.4.6.

7.5.10. Appeals:

A written appeal may be submitted to the WBA Executive Board within 48hrs.

Once an appeal is lodged, the individual is permitted to continue participating until the appeal is heard.

7.5.10.1. Once an appeal is submitted the offender is presumed innocent thus can continue to play until the appeal is heard.

8. MINOR ROUND

8.1. TIMING CONDITIONS

- 8.1.1. Games will consist of 4 ten-minute quarters. The game clock will start at the time as listed in the Official WBA Program. However, no play will commence until both teams have a minimum of four (4) Players on the court and in the correct uniform. See 4

NOTE: The WBA follows SACBCI guidelines regarding playing in extreme weather conditions. <http://www.sacbc.com.au>

13. BLOOD RULE

The WBA refers to SACBC Blood policy. <http://www.sacbc.com.au>

14. IMPORT RULE

The philosophy of using imports is to supplement and develop our local competition, not destroy it!

14.1. A WBA team can only import **2** players that live 60Km outside of Whyalla.

14.2. To qualify for finals an Import player must play at least **50%** of the season.

14.3. Players that play for 2 years for the same club as an import player, will no longer be deemed an import after this time.

14.4. If the WBA requests the support from an outside town to fill a whole team in a grade, we should request that this be a club level team not a group of representative players.

15. FINALS

15.1. UNEVEN COMPETITIONS

In competitions where teams play an unequal number of games, final ladder positions will be determined by Game Ratio rather than Premiership points.

Calculated: $(\text{Wins} + \text{Forfeit Wins} + (1/2 \times \text{Draws}) - (\text{Forfeit Losses})) / \text{Games Played}$.

15.2. TIED COMPETITIONS

When teams are tied on premiership points final ladder position will come down to head-to-head encounters between the 2 tied teams. Percentage from games played between the 2 tied teams shall be used if required. If they finish with the same head-to-head percentage then the full season for/against percentage shall be used.

Forfeits aren't to be considered when calculating head-to-head.

Head-to-head philosophy is intended to remove the need for teams to thrash their opposition thus minimising discouragement to our less experienced teams/players.

15.3. TIMING CONDITIONS

Clock stops on time outs and for every whistle or score in the last two 2 minutes of the last quarter. If at this time the score difference is greater than 20 points there is no need to stop the clock.

15.4. DRAWN GAMES

In the event of a drawn game, extra periods of 3 minutes shall be played until the draw is broken. Clock stops on time outs and for every whistle or score in the last 2 minute of any extra period.

15.5. FINALS FORFEITS

In the event of a forfeit the winning team advances to the next round unopposed.

15.6. PLAYER QUALIFICATION RULES

- 15.6.1. To qualify to play finals in your registered grade, as nominated at the start of the season to the WBA, players must have been ticked "in play" in at least **3** minor round games for that team in that season.
- 15.6.2. Qualified Borrowed players (filled in for 3 or 4 games) can be used in finals above their own registered grade to fill to a max of 6 players.
- 15.6.3. If a borrowed player has become registered in a higher grade by playing 5 or more games up, they are no longer a borrowed player thus may play in that grade without restrictions. Once they have played 5 games up they can no longer go back down to their previous grade.
- 15.6.4. A max of 2 qualified borrowed players per game may be used in finals.
- 15.6.5. Senior players may play in a maximum of 2 "Final Series".
- 15.6.6. Junior players may play a "Finals Series" in two different Junior and one Senior grade.
- 15.6.7. A Division B Junior can play in a Division A final's series as a Borrowed player if they have qualified in this team in the minor rnd.
- 15.6.8. In the event of sickness, injury, or extenuating circumstances to a player/players the QUALIFICATION COMMITTEE (*section 8.2*) may grant permission for players

from a lower grade or division to play in a final. The request must be notified via the club delegate email, etc and contain supporting evidence.

15.7. GUIDELINES FOR THE QUALIFICATION COMMITTEE

Philosophy is to protect the integrity of the Competition/Finals by allowing exemptions that allow a contest without adversely affecting the expected result:

- 15.7.1. Exempted Borrowed players shall not make a team better.
- 15.7.2. If an exempted Borrowed player is approved to play for a team. Then a previously "unavailable" player becomes available, the approved Borrowed player becomes ineligible to play.
- 15.7.3. The WBA is not obligated to change Final schedules to suit clubs that choose to use players in more than 1 grade.
